

John F. Krebs

Argonne National Laboratory
9700 South Cass Avenue, Bldg. 205
Argonne, IL 60439
phone: 630/252-7548
fax: 630/972-4486
e-mail: krebs@cmt.anl.gov

Professional Experience

- Developing improved water-gas shift catalysts for carbon monoxide removal from hydrogen-enriched reformat fuel for automotive and stationary fuel cell systems
- Developing low-molecular-weight materials for onboard storage of hydrogen for transportation applications

Professional Society Activities

- American Chemical Society

Education

- PhD, Chemistry, Kansas State University
- BS, Chemistry, Northern Arizona University
