

## **Deborah J. Myers**

Argonne National Laboratory  
9700 South Cass Avenue, Bldg. 205  
Argonne, IL 60439  
phone: 630/252-4261  
fax: 630/252-4176  
e-mail: myers@cmt.anl.gov

### **Professional Experience**

- Low-temperature solid oxide fuel cells
- Polymer electrolyte fuel cell membranes and catalysts
- X-ray absorption and reflectivity studies of electrochemical systems
- Water-gas shift catalysts for hydrocarbon fuel reformers
- Boron- and aluminum-based hydrogen storage materials

### **Professional Society Activities**

- American Chemical Society
- Electrochemical Society

### **Education**

- PhD, Analytical Chemistry, University of Illinois, Urbana
- BA, Chemistry, Knox College
